DNA & Mission

The core brand identity (DNA) of Albert zips is built upon the following elements:

- Albert zips is a supplier of zippers
- Albert zips provides excellent product quality and innovative designs
- Albert zips builds bridges with worldwide customers
- Albert zips is a reliable, thoughtful and down-to-earth service partner
- Albert zips does business on the basis of equality and social commitment
- Albert zips provides added value for the long term

"Albert zips strives to be a bridge builder for customers considering the purchase of high quality zippers. Albert zips is fully committed to be a reliable and down-to-earth service partner which finds solutions that add long term value".

Quality Control

With many years experience in delivering high quality products to demanding customers, Albert zips has earned a reputation for innovative products of excellent quality, backed by the best service. Through careful selection of our partners over the years, we have been able to successfully maintain the caring family business attitude and ethic that was created some sixty years ago. Albert zips continues to build on its already high reputation for quality care & service. The quality control departments in each production site are keys for delivering on this promise. Our factories are Oeko-Tex certified, ISO 9001: 2008 accredited and our products meet or even exceed the requirements. Albert zips is able to provide independent test reports on all products. We acknowledge your specific quality requirements. Simply ask us for the evidence you need.
